

IFMBE Equity & Inclusion Travel Fellowship

ICBHI-CLASD 2026

The IFMBE Administrative Council launched the **Equity & Inclusion Travel Fellowship Program (EITFP, earlier LMICTFP)** with the aim to support the attendance to international meetings cosponsored by IFMBE of members of national or transnational BME societies affiliated to IFMBE who are residents of a low- and middle-income country (LMICs) as [defined by the World Bank](#).

The International Conference on Biomedical and Health Informatics and the Second Latin American Conference on Digital Health ICBHI-CLASD2026 <https://coralib.org/icbhi-clasd-2026/> is held from October 15 to October 17, 2026, in Oaxaca, Mexico. The IFMBE is inviting the Member Societies to encourage participation of their members in this EITFP.

Application for EITFP

Applicants must be a member of a national or transnational BME society that is a member of the IFMBE. Applicants are required to **submit a full paper** and **present an oral presentation** in order to be considered for a fellowship award.

The Travel Fellowship covers the registration fee for the first author of a full paper accepted for presentation at ICBHI-CLASD. **Ten (10) travel fellowships will be granted** following the rule of equal representation of all IFMBE regions.

After uploading the full paper through the ICBHI-CLASD 2026 submission system (<https://meteor.springer.com/ICBHI-CLASD2026>), applicants must select the “**Low and Middle Income Country IFMBE Travel Fellowship**” option in the **ICBHI-CLASD 2026 | Paper Awards Participation and Fellowship Programs Form** at <https://forms.gle/uorKafsGX1vjd1g8>.

Submission to the EITFP automatically includes consideration for the **Travel Fellowship Program**. No additional email or separate application is required.

Once the paper has been successfully submitted, applicants only need to complete the participation form to be considered for this opportunity.

The application deadline for the **Travel Fellowship Program** is **June 30, 2026, at 11:59 PM Eastern Daylight Time (EDT, UTC-4)**. Please note that **no deadline extensions will be granted**, and late applications cannot be considered.

Applicants will be notified of the outcome of their application by **July 31, 2026**. Successful candidates will receive an official notification, an invitation letter, and confirmation of registration fee coverage via email.

We encourage all applicants to submit their materials well in advance of the deadline to ensure successful consideration.
